

## InfoGraph Training Center

The exclusive distributor of ESRI in Jordan is pleased to inform you that we are offering ESRI GIS training courses at our GIS Training Center during the 3<sup>rd</sup> and 4<sup>th</sup> quarters of 2018.

InfoGraph has an Esri Authorized Learning Center in Jordan. The center offers standard and customized Esri training courses taught by Esri's authorized staff of InfoGraph.

Each trainee will receive an Esri certificate and a copy of training manual (lectures & Exercises) and DVD contains the exercises data as part of the fees for each course.

Looking forward for your participation & thank you for your interest in our training programs.

يسر المركز التدريبي الخاص بالشركة الاستشارية لأنظمة المعلومات البيانية InfoGraph، أن تعلمكم عن إصدار البرنامج التدريبي لدورات أنظمة المعلومات الجغرافية التي سيتم عقدها خلال الربع الثالث والرابع لعام ٢٠١٨.

يتميز مركزنا بأنه المركز التدريبي الوحيد في الأردن المعتمد من شركة ESRI، والذي يشرف على عقد دوراته مدربين معتمدين ومرخصين لدى شركة ESRI لاعطاء هذه الدورات.

يحصل المشترك بنهاية كل دورة على نسخة من المجلدات الأصلية الصادرة عن شركة ESRI (محاضرات - تمارين)، وقرص مدمج يحتوي على البيانات التي سيقوم المتدرب بالتطبيق عليها في هذه الدورة وبالإضافة لشهادة معتمدة من شركة ESRI الأمريكية.

نتطلع لمشاركتكم الكريمة  
ونشكر لكم اهتمامكم ببرامجنا التدريبية

ESRI Authorized Learning Center

Environmental Systems Research Institute, Inc.

**Information & Graphics  
Systems Consultants L.L.C.**

Authorized since 27th day of September, 2011

Training Center in Jordan**

**"InfoGraph Training Schedule"  
2018**

| No.   | Course Title  | Hours | Days   | 1 <sup>st</sup> Period | 2 <sup>nd</sup> Period | 3 <sup>rd</sup> Period | 4 <sup>th</sup> Period | 5 <sup>th</sup> Period |
|---|---|-------|--------|------------------------|------------------------|------------------------|------------------------|------------------------|
| <b>Get Started with ArcGIS   البدء بتعلم أنظمة المعلومات الجغرافية</b>                  |   |       |        |                        |                        |                        |                        |                        |
| 1   | ArcGIS 1: Introduction to GIS                                   | 16    | 2 Days | 15-16/7                | 26-27/8                | 7-8/10                 | 4-5/11                 | 16-17/12               |
| 2   | ArcGIS 2: Essential Workflows                                   | 24    | 3 Days | 17-19/7                | 28-30/8                | 9-11/10                | 6-8/11                 | 18-20/12               |
| 3   | ArcGIS Pro: Essential Workflows                                 | 24    | 3 Days | 14-16/8                |                        |                        |                        |                        |
| 4   | Migrating from ArcMap to ArcGIS Pro                             | 16    | 2 Days | 30/9-1/10              |                        |                        |                        |                        |
| <b>Data Collection &amp; Management   جمع وإدارة البيانات</b>                           |   |       |        |                        |                        |                        |                        |                        |
| 5   | Building Geodatabases   | 24    | 3 Days | 5-7/8                  | 13-15/11               |                        |                        |                        |
| 6   | Editing Data with ArcGIS for Desktop                            | 16    | 2 Days | 29-30/7                | 12-13/9                | 11-12/11               |                        |                        |
| 7   | Field Data Collection and Management Using ArcGIS               | 16    | 2 Days | 2-3/9                  | 9-10/11                |                        |                        |                        |
| 8   | Deploying & Maintaining a Multiuser Geodatabase                 | 24    | 3 Days | 25-27/11               |                        |                        |                        |                        |
| 9   | Implementing Versioned Workflows in a Multiuser Geodatabase     | 24    | 3 Days | 2-4/12                 |                        |                        |                        |                        |
| 10  | Distributing Data Using Geodatabase Replication                 | 16    | 3 Days | 5-6/12                 |                        |                        |                        |                        |
| <b>Mapping &amp; Visualization   رسم وعرض الخرائط</b>                                   |   |       |        |                        |                        |                        |                        |                        |
| 11  | Building 3D Cities Using Esri CityEngine                        | 24    | 3 Days | 2-4/10                 |                        |                        |                        |                        |
| 12  | Designing Maps with ArcGIS                                      | 16    | 2 Days | 31/7-1/8               |                        |                        |                        |                        |
| 13  | Working with 3D GIS Using ArcGIS                                | 16    | 2 Days | 9-10/9                 |                        |                        |                        |                        |
| <b>Collaboration &amp; Sharing   مشاركة البيانات</b>                                    |   |       |        |                        |                        |                        |                        |                        |
| 14  | ArcGIS 4: Sharing Content on the Web                            | 24    | 3 Days | 24-26/7                | 16-18/10               |                        |                        |                        |
| 15  | Configuring Web Apps Using Web App Builder for ArcGIS           | 8     | 1 Day  | 15/10                  |                        |                        |                        |                        |
| <b>Spatial Analysis   التحليل الجغرافي</b>  |   |       |        |                        |                        |                        |                        |                        |
| 16  | ArcGIS 3 – Performing Analysis                                  | 16    | 2 Days | 22-23/7                | 23-24/12               |                        |                        |                        |
| 17  | Image Analysis with ArcGIS                                      | 16    | 2 Days | 29-30/7                |                        |                        |                        |                        |
| 18  | Creating and Analyzing Surfaces Using ArcGIS Spatial Analyst    | 8     | 1 Day  | 14/10                  |                        |                        |                        |                        |
| 19  | Geoprocessing Raster Data Using ArcGIS Spatial Analyst          | 8     | 1 Day  | 21/11                  |                        |                        |                        |                        |
| <b>Courses for GIS Server &amp; Web Administrators   إدارة الأنظمة والويب الجغرافية</b> |   |       |        |                        |                        |                        |                        |                        |
| 20  | ArcGIS for Server: Site Configuration and Administration        | 24    | 3 Days | 23-25/10               |                        |                        |                        |                        |
| 21  | Deploying Portal for ArcGIS                                     | 16    | 2 Days | 31/10-1/11             |                        |                        |                        |                        |
| 22  | ArcGIS Enterprise: Configuring a Base Deployment                | 24    | 3 Days | 21-22/10               |                        |                        |                        |                        |
| 23  | Portal & ArcGIS Server Administration custom course             | 16    | 2 Days | 1-2/8                  |                        |                        |                        |                        |
| 24  | Putting ArcGIS to Use Across Your Organization                  | 24    | 3 Days | 4-6/9                  |                        |                        |                        |                        |
| <b>Scripting and Application Development   برمجة وتطوير التطبيقات</b>                   |   |       |        |                        |                        |                        |                        |                        |
| 25  | Introduction to Web Development Using ArcGIS API for JavaScript | 24    | 3 Days | 28-30/10               |                        |                        |                        |                        |
| 26  | Introduction to Geoprocessing Scripts Using Python              | 24    | 3 Days | 11-13/12               |                        |                        |                        |                        |
| <b>Special Topics   مواضيع خاصة</b>   |   |       |        |                        |                        |                        |                        |                        |
| 27  | Working with CAD Data in ArcGIS                                 | 8     | 1 Day  | 19/11                  |                        |                        |                        |                        |
| 28  | Working with Geometric Networks for Utilities                   | 8     | 1 Day  | 18/11                  |                        |                        |                        |                        |
